

FROM I-WAIVER

# Cover your loaner.

A signed agreement, a record that holds up, and cover for the loan period where it is available.

- They sign from a link. No account, no app, nothing to download.
- Written for the state the loan happens in, and producible years later.
- Cover for the loan period, where it is available.

---

**i-waiver.com**

The agreement and the cover, signed together.
